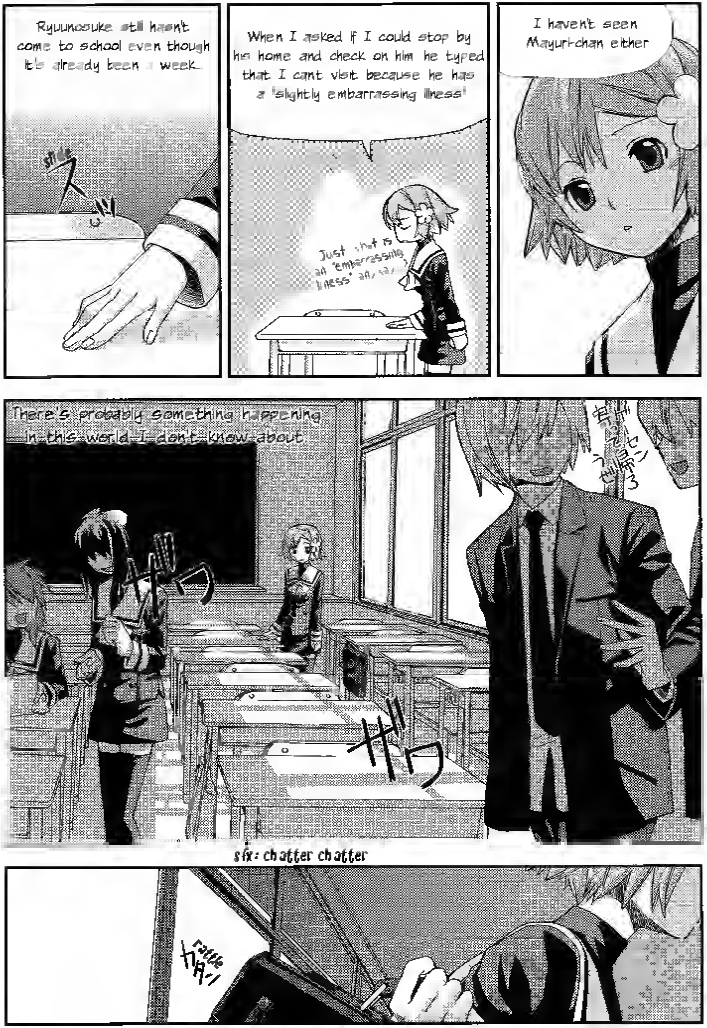
Tamami wonders where Ryunosuke disappeared to.

Because, while knowing would give her peace of mind not knowing makes her lose hope



Ryuunosuke still hasn't come to school even though it's already been a week.
When I asked if I could stop by his home and check on him he typed that I can't visit because he has a 'slightly embarrassing illness'!
Just what is an 'embarrassing illness' ah, no,
I haven't seen Mayuri-chan either
There's probably something happening in this world I don't know about
text: let's visit the game center on the way home

Summary

As a high school student, Ryuunosuke's daily life is hectic. However he's actually a "wizard" who protects the world from extraordinary crises. This causes him trouble and seems to attract all kinds of danger such as his unique constitution causing him to transform into a girl whenever his chest throbs. Ryuunosuke, the magician Mayuri Yamatsuki and the cat-person Ageha form a party to search Kimei Academy together. Their goal is the "Jewel of Wisdom" hidden within the school. It seems the gem has the ability to "answer any question" when used. In the middle of their search, Ryuunosuke finds himself unexpectedly trapped as a girl, unable to turn back into a guy.

Ichikura Misaya

You don't need to thank me for anything...
What are you saying!?
You've saved me many times so this is the least I could do?
Huh? Many times?
Uuum... This is... Hmm
sfx: FWSSSH
This. Is. The. First. Time. We've. Met?
Oh! I see! I don't know what's wrong with me
Are you thinking of someone else? Spacing out like that is dangerous
Sorry about that I'm just a little worried about my friend...
You're worried about your friend? Do you want to talk about it?
glop

Ugh! This is so embarrassing! How'd I end up in this situation!?
Really though, thank you er, much
Not at all
1 Week Ago
Jeez, I can't take it anymore! I'm calling for reinforcements!
BANG
ばん
Reinforcements?
Yes I'll go to the client's place and borrow their elite
If we have that person's strength...
That person?
In fact, that amazing person's subordinates call them "Humanity's Trump Card", "The Super Ace Wizard" and "The Falling Man"
Yes that isn't one real a Commitment?
Anyway we have to quickly stop Takakura-san before he gets more ordinary people involved in our secret search

In that case, I want to investigate this man named Takakura
If we rush into this and fight an opponent like that now without knowing them, we'll be at a disadvantage.
Well then, I'll
clench
You have to
Please,
sit still.
Since we don't know what's caused your current condition, until you turn back to a guy, please try to keep quiet.
Impatience and negligence are equally fatal. A person with a cool head has the best chance of winning.
Ah, that reminds me. Ryuunosuke-san, there is something only you can do.
rummage
Something only I can do?
Yes, we need to make sure Takakura-san doesn't try anything again so...
rustle

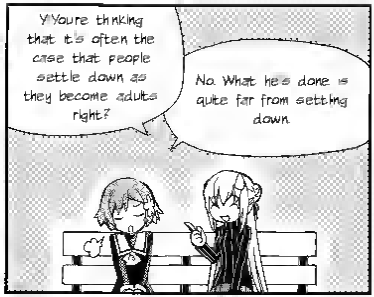
I'm just here to guard her... I'm just here to guard her, but...
So this friend... They wouldn't happen to be a childhood friend who's a boy, would they...
Yeah, that's right
Ah, well... The friend Tamami's worried about couldn't be...

sfx: munch munch

Ah. Well. I mean, your childhood friend... why are you worried about him?
I'm worried because it feels like he's hiding something. How should I put it... It's as if he's trying to deceive me.
thump thump

sfx: SWOOSH

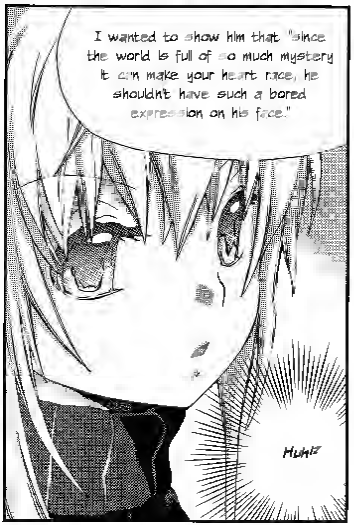
When we were younger, he was an incredibly energetic child. If anything, I was the shy one being dragged around by him.
However, he's become a completely pathetic person ever since...



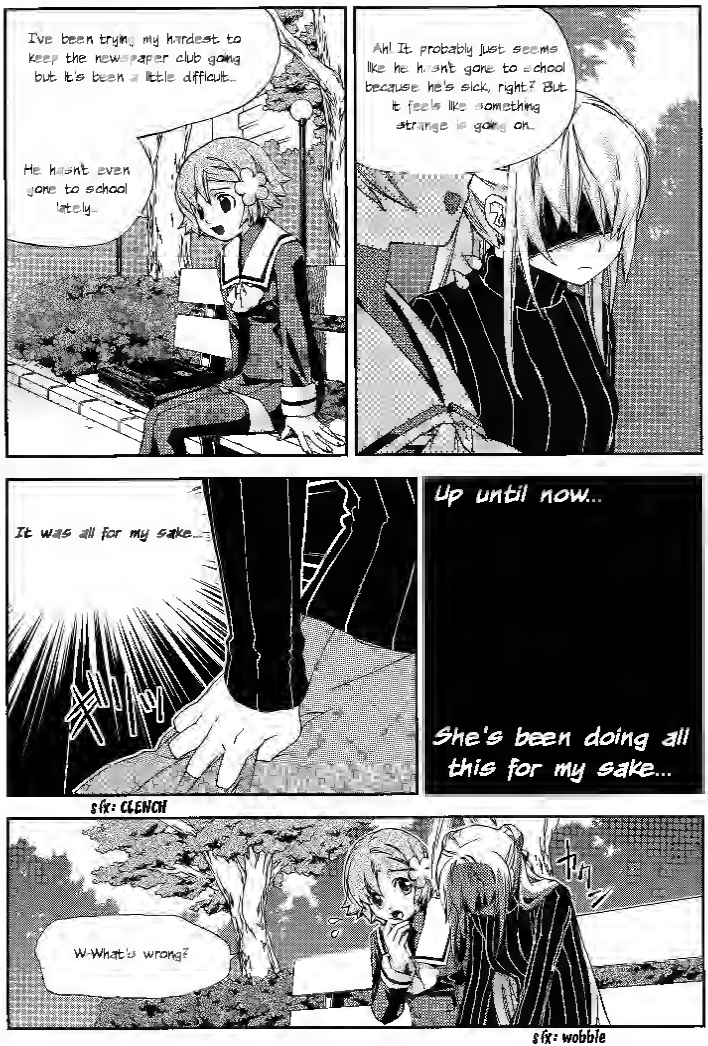
You're thinking that it's often the case that people settle down as they become adults right?
No. What he's done is quite far from settling down.

Shot down before I even got a word in...
That's why

This time, I think it's my turn to return the favor.



I wanted to show him that "since the world is full of so much mystery it can make your heart race, he shouldn't have such a bored expression on his face."
Hmm?



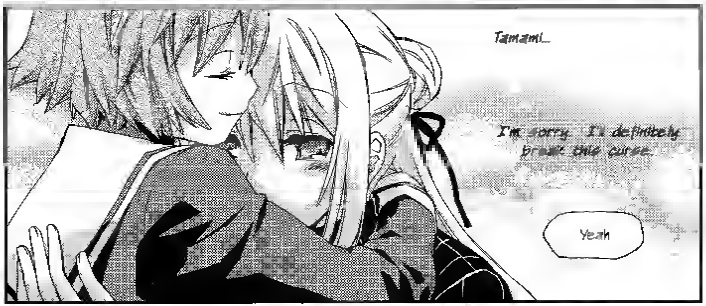
I've been trying my hardest to keep the newspaper club going but it's been a little difficult...
He hasn't even gone to school lately...
Ah! It probably just seems like he hasn't gone to school because he's sick, right? But it feels like something strange is going on...
It was all for my sake...
sfx: CLENCH
Up until now...
She's been doing all this for my sake...
W-What's wrong?
sfx: wobble

You could even say I'm the reason she's in danger...
It'll be okay!
Wha-Wha-What are you...!?
Everything will be okay!
Something is also troubling you, but it'll be okay!

sfx: GLOMP

"It'll be okay." That's what my childhood friend would always tell me when I was worried.
Even if there's no reason for me to say it...
For some strange reason, hearing that is calming, isn't it?

Everything will be okay.



Tamami...
I'm sorry. I'll definitely break this curse.
Yeah

Chise I've done that...
Well then, what are those guys up to?
I've avoided interfering. the situation appears to be progressing as you deduced it would. President.
In that case tomorrow they should lead us to the 6th mystery
Understood

Now then, the final phase has arrived. After a thousand years, I'm near the foundation upon which mine wish will finally be granted.
